Magnetic Resonance*

# SAVE THE DATE / CALL FOR ABSTRACTS

The SCMR 13th Annual Scientific Sessions Abstract Submission Site will be launched and available on June 1, 2009. The abstract submission site will be accessed through the SCMR website [www.scmr.org](http://www.scmr.org). The deadline for submissions is September 15, 2009. Notification of acceptance will be sent by October 9, 2009.

Information on the Annual Scientific Sessions and registration will also be available on the SCMR website.

Abstracts may be submitted on a variety of topics related to CMR including:

- Physiology, Metabolism and Spectroscopy
- Prognosis, Outcomes, Cost-Effectiveness
- Electrophysiology, Dyssynchrony, and Interventional CMR
- Coronary MR
- Vascular CMR
- Congenital Heart Disease
- New Methods - Contrast Enhanced and Morphological CMR
- New Methods - Cine and Functional CMR
- New Methods - Post Processing
- Ischemic Heart Disease - Ischemia
- Ischemic Heart Disease - Viability
- Ischemic Heart Disease - Other
- Non-ischemic Heart Disease - Cardiomyopathy
- Non-ischemic Heart Disease - Infiltration and Inflammation
- Non-ischemic Heart Disease - Iron Loading
- Non-ischemic Heart Disease - Other
- Technologist: Research Abstracts
- Technologist: Case Reports

*Technologist categories are for submission by Technologists only.*

## 13th Annual Scientific Sessions

January 21 – January 24, 2010
